

## **Two Phase Combined Test/ Event Derby ENTRY**

SHOW DATE: Sunday, June 23, 2019  
Always August Farm  
530 Habberton Rd., Fayetteville, AR 72703

Organizer: Christy Zweig Niehues  
[aafequine@gmail.com](mailto:aafequine@gmail.com) 479-445-7564

### **What is a combined test?**

A combined test is two of the three phases of eventing. This competition will include a dressage test and a jump round consisting of 8 stadium fences and an additional 2-4 XC style obstacles. All XC obstacles will be inviting and appropriate for their level. This is a fun and casual show, but we will stick to [USEA rules/regulations](#) for tack/bitting and scoring. Protective vests must be worn for jumping at the BN level and up (we are happy to loan you a vest if you need one). ASTM/SEI Certified Helmets Required at ALL times while mounted!

### **Scoring:**

All entrants will receive a score on their dressage test, converted to penalty point (for example, if you score a 70%, you will have a dressage score of 30).

The jumping portion will have an optimum time and speed fault time, and penalties will be assessed at 0.4 points per second for exceeding optimum or speed in excess of speed fault time. Rails incur 4 points, and run-outs/refusals incur 20 points. A horse/rider total score is tallied with the lowest score winning.

\*Please note this will take place on grass with some terrain. If you have never evented before, I urge you to enter at a level slightly lower than the height you are used to jumping at home. Dangerous riding will not be tolerated.

Ride times available at [www.alwaysaugustfarm.com](http://www.alwaysaugustfarm.com) the Wednesday before the event.

STABLING: Limited stabling/paddock space available \$25/night

- o Light concessions available on grounds.
- o Please leave your dogs at home.
- o Dressage and Jumping will be in outdoor grass arenas.
- o Riders will ride dressage prior to show jumping
- o This is an informal and fun competition!
- o Dressage tests available at <https://useventing.com/events-competitions/resources/dressage-tests>
